

Massachusetts Horticultural Society's Donation Form

Please help the Massachusetts Horticultural Society grow by making a generous donation.

The Massachusetts Horticultural Society is steward to 36 beautiful acres at the Gardens at Elm Bank. Your donation will help plant and maintain the gardens, provide educational opportunities for students, lectures for adults, and exhibitions for amateurs to show their craft.

Thank you for your support.

Founded in 1829, the Massachusetts Horticultural Society is dedicated to encouraging the science and practice of horticulture and developing the public's enjoyment, appreciation, and understanding of plants and the environment.

Katherine K. Macdonald
Executive Director

Yes, I would like to help the Massachusetts Horticultural Society.
